Dear Citizen:

You have been selected as a potential juror in the federal case of *United States v. Sealed*. The indictment in this case charges the defendant with one count of Conspiracy to Commit Money Laundering. The defendant has denied these charges and has pleaded not guilty. The defendant is presumed innocent, and the United States carries the burden of proving his guilt beyond a reasonable doubt at trial.

Jury selection will occur on Monday, January 13, 2025, with the trial to follow. The Court and the parties hope to complete trial in this matter by Friday, January 17, 2025. If you are selected as a juror, you will be required to report to the courthouse each day as directed by the Court.

Before the case can begin, a jury must be selected. The trial judge and the parties involved in the case need to know information about you, so the selection process can be fair to both sides and completed in an efficient manner to reduce the time that you will spend at the courthouse. The questions set forth in this form are designed to help the Court and the parties learn about your background and views on issues that may be related to this case. The questions are asked not to invade your privacy, but to make sure that you can be a fair and impartial juror. Your answers will be kept confidential by order of the Court.

Please answer each question as completely and accurately as you can. Your complete written answers will save a great deal of time for the Court, the parties and you. There are no right

or wrong answers to the questions. You must answer each question truthfully to the best of your ability. To ensure that your answers are not influenced by the opinions of others, you should fill out the questionnaire by yourself without consulting or talking with any other person. PLEASE PRINT ALL ANSWERS.

If you cannot answer a question because you do not understand it, write “Do Not Understand” in the space after the question. If you cannot answer a question because you do not know the answer, write “Do Not Know” in the space after the question. If there is anything you do not want to talk about in open court, please answer the question in full and then write “Private” next to your answer. If any further questioning is required, the judge and the attorneys will question you in private, away from other members of the jury panel and the public. Additional space is included at the end of the questionnaire if you need to expand an answer beyond the given space. Be sure to indicate on the blank page the number of the question you are answering.

Once you have completed the questionnaire, please return it by mail in the enclosed addressed, stamped envelope NO LATER THAN November 4, 2024. Please note that lunch will not be provided during the first day of your jury service. Thereafter, if you are selected for jury service, lunch will be provided.
